LICENSE UPDATE / RENEWAL

1. Save the file *WibuCmRaU* on your desktop.

2. Open the file.
   If you have a network license, open the file on the server/
   PC where the dongle has been inserted.

3. Confirm the transfer in the following dialog.

4. The import process starts.
   You may have to wait a few minutes. Please be patient and
   do not interrupt the import.

5. Finally, the successful import of the file is confirmed.
